

GLEN RIDGE HISTORIC DISTRICT

GLEN RIDGE, ESSEX COUNTY, NEW JERSEY

The Glen Ridge Historic District embodies two distinct patterns in suburban development, the Railroad Suburb and Early Automobile Suburb, which are reflected in the district's architecture, varied density, and treatment of the landscape. The period of significance, inclusive of the original nomination and both boundary expansions, is from circa 1870 through the 1930s.

- Services: National Register Nomination for boundary increase No. Two for the Glen Ridge Historic District.
- Total Project Costs: \$31,050 (Borough of Glen Ridge)
